BAY ST. LOUIS, MISS., FRIDAY, MAY 30, 1947

VOL. 56 — No. 22

## Observations... From Around Town

(BY JAY WHOZIT)

This is graduation week in Bay St. Louis, with forty-one boys and girls finishing their high school careers at Bay High tonight (Friday); on Saturday, seventeen young ladies graduate from St. Joseph Academy; and on Sunday morning, St. Stanislaus will present high school diplomas to sixty-two young men—one hundred and twenty in all, who have finished the first leg of their journey through life, and embark upon another, much more serious than the first. Some will further their studies, some will work, and the others, who know? Nevertheless they all have our congratulations, and best wishes for success in their chosen fields. June 5th is the deadline as announced by the State Democratic Executive Committee, for anyone to qualify as a candidate in the Primary election on August 5th. Less than a week, so far five business days have signified their intentions of entering teams in the Soft Ball League now in the process of being formed, how about a few more getting in? The contract has been let for the demolishing, moving and erecting of the chapel recently purchased by the members of the First Baptist Church, and a committee has been named to sell the present church building and lot. Richard T. (Dickie) Curran, salutationist of class '47, St. Stanislaus, son of Mr. and Mrs. F. R. Curran, has been assigned by the office of U. S. Navy officer personnel to attend the University of Wisconsin, as a Midshipman in the U. S. Naval Reserve. Congratulations to this splendid young man and his parents. The Student Activity Association, of Bay High School has purchased a new thirty-three passenger bus for the transportation of students in their various school activities, at a cost of approximately \$4,000.00. Delivery is expected within the next few weeks. Postmaster, Leo G. Ford addressed the members of the eighth grade at their graduation exercises at Waveland Public School last night. Several local real estate operators have expressed the opinion that at the present rate of growth, Waveland will annex Bay St. Louis as a suburb within the next ten years. Sounds impossible but it isn't. Several young business men about town are said to have expressed their desire to enter the race for Mayor in 1948, at least they believe in getting an early start. J. D. Mollere, Bay High School and Robert Boh, St. Stanislaus, have been chosen by the Rotary Club to represent Bay St. Louis at the seventh annual Boys State to be held in Jackson, May 31st to June 6th. A. G. Favre, County Registrar, has been busy for the past week registering new voters throughout the entire county, working a different voting precinct every day and reports a record registration. With the closing of schools in New Orleans and surrounding territory, Bay St. Louis summer population will increase considerably for the next few months. Something should be done, especially during the summer months, about the dust situation on our city's unpaved streets, folks living on paved streets, how about a coat of oil or something to settle the dust, until such time as they can be paved.

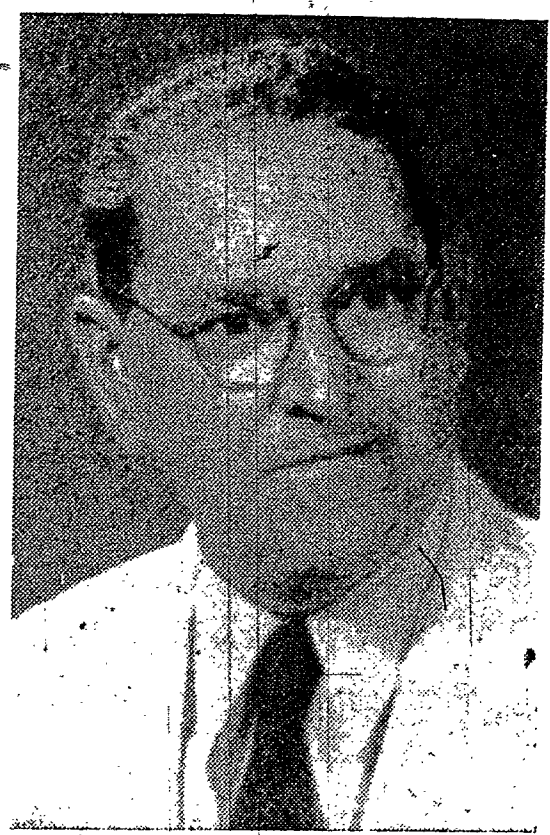

## SECOND SOFTBALL MEETING HELD

Five teams are now definitely in the softball league now in progress of being formed. At a meeting held at the courthouse Wednesday night, May 21, the following business firms stated that their teams would compete: Magnolia State Supply Company, Tourne's Auto Parts, Wilmer's Grocery, Loicacno's Grocery and the Sanitary Bakery. Other firms have announced their intention of coming into the league but have done nothing definite up to this time.

## 'Dear Ruth' To be Presented Next Week

"Dear Ruth," a modern comedy by Norman Kresna and the second play to be presented this season by the Bay St. Louis Little Theater, will open here next Thursday night, June 5th, and run for three nights. Members are requested to attend on the same night assigned to each one for the "Angel Street" performance, and will be admitted upon presentation of their 1947 membership cards at the door. Non-members wishing to attend may purchase tickets at \$1.25 plus tax at deMontuzin's or at the door. Each performance will begin promptly at eight-fifteen P. M., and for the sake of both actors and audience it is requested that everyone attending should plan to arrive before that time.

## ED. J. ARCENEUX ANNOUNCES FOR SUPERVISOR, BEAT 5

E. J. ARCENEUX

The Sea Coast Echo is authorized to announce that Mr. E. J. Arceneux, Sr., is a candidate for the office of Supervisor for Beat Five, Hancock County. His statement follows: To the Citizens and Taxpayers of Hancock County: I am using this means to advise you, that after due consideration I have decided to be a candidate for the office of Supervisor for Beat 5. For the past several years my friends and business associates have asked me to be a candidate for this office. I declined due to the fact that the men who were candidates were fully qualified to hold this office. I believe members of the Board of Supervisors should be qualified to operate the business of the county in a business manner by that I mean that the expenditures of Public monies should be given more consideration and expended in such a way that it would pay a dividend to the taxpayers. The present system of operation is not operated in a business manner. This system that has been used for years. I would call a Political System. You can compare the Board of Supervisors like the Board of Directors of a bank. They are entrusted with tax money collected by the county, and are responsible for the expenditures and investments of this money. How long do you think a bank would keep open if they used this same system as your Board of Supervisors are using.

This is your County and your tax money is your investment. I believe a yearly report should be made to you showing the expenditures and investment of every dollar. I also believe that each member of the Board should have an advisory committee made up of the business men and other interested citizens of this community and no project or investment should be made without the approval of the majority of this committee. This I intend to do if elected.

Please understand that I blame no individual for the condition of our county, financially or otherwise—other than that which is invested by law to Public officials, nothing can be done or invested unless approved by the Board of Supervisors. In view of these facts the Board of Supervisors is responsible for the condition of the County, Good or Bad, Financially or otherwise. It is high time the decent people of this county awakened to their public officials' stewardship.

The future of our County depends on the majority of our civic minded decent American citizens. That is why there is more cause and reason now for us to do our part as citizens than at any time in the past.

Too many times candidates seek such public office for their personal gains. No candidate should seek the office of Supervisor as a livelihood. This is not a full time job—it should be considered more of an honor to be elected to this office.

Unless the voters of Hancock County elect a board that believes in a business administration, economy in expenditures and equalization of assessments we will have accomplished nothing. Business administration is very necessary in any financial institution. Economy of expenditures is always good business—more so now in our present condition.

Equalization of assessments has always been a thorn in our side. This is a very important plank in any body's platform. Too many people in the past have come in our midst and left dissatisfied because of unfair assessment.

If elected, and with the help of our good citizens I promise you we can put this program over. As for my qualifications, I have been a citizen, voter and taxpayer of this community for over 27 years; raised a family of eight children. Three of my sons are Veterans of World War II. I am a veteran of World War I. I am listed as a private in 1917, advanced to all grades, and last commission was that of captain. Transferred later on to the U. S. Army Reserve. I offer my services to you as a successful business man. I have never been convicted of

any misdemeanor or crime. I bear malice towards no one. I have no enemies to punish. I have made no promises to any one. I have no axe to grind. I am backed by no ring or Political Faction. My only ambition is to give the people of Hancock County an honest, business administration. However I do seek the support of the Business Men; the Chamber of Commerce, the Rotary Club, the Garden Club and other civic minded organizations. In closing, I am leaving you good food for thought. I expect to talk to each vote in Beat 5. If for some reason I do not contact you and there is something that you would like to take up with me, call me or write me, I will be only too glad to talk this over with you.

During this campaign I expect to submit to you why we should have a business administration. Yours for a Business Administration: E. J. ARCENEUX.

## R. G. (Manny) HUBBARD CANDIDATE FOR SUPERVISOR—BEAT 5

R. G. (MANNY) HUBBARD

The Sea Coast Echo is authorized to announce the candidacy of Mr. R. G. (Manny) Hubbard for the office of Supervisor, Beat 5, Hancock County, Mississippi.

I was born in the town of Waveland, and finished my schooling in St. Stanislaus College in Bay St. Louis. I am married and have four children, two now in school and two under school age. My earlier employment was with the American Railway Express Co. and the L. & N. Railroad. While in such employment I served details at various points in the State of Mississippi such as Bay St. Louis, Pass Christian, Gulfport, Pecan, Hattiesburg and other locations, and thus familiarized myself with the requisites of transportation and commerce and the importance of good highways, in that connection in this and other counties throughout the state. I am now engaged in the saw mill business within the county and in Beat 5.

In 1942 I was elected to the position of Alderman, 4th Ward, Town of Waveland, Mississippi, with a majority over two opponents in the first primary. In 1946 I was re-elected to the same office in the first primary with a substantial majority of the votes cast. My election was not subsequently questioned or contested by the opposition.

Through my service as Alderman, to the present time, I have been regular in my attendance at meetings of the Town Administration. I have kept informed on all matters affecting the people and voters of the town and my ward. I have been active in council and have unhesitatingly and fearlessly voiced my opinion and judgments.

I have espoused and voted for all projects I believed to be to the best interests of the taxpayers and I have put myself on record as voting on all matters I believed detrimental to their interests. As a member of the Board of Aldermen in the Town of Waveland, and in cooperation with the Mayor and Board, I endeavored to do my part in serving the people well in the foresight and conservatism displayed in the obligations and expenditures of the public funds. The record of that Administration for constructive accomplishments, with limited funds, is so well known throughout the county and Beat 5, further review in detail is not necessary at this time. I will be pleased to inform those who may not know of that accomplishment.

While I solicit the consideration and vote of all parties, I have not aligned myself with any faction or group, nor have I obligated myself by pre-election promises to anyone. My candidacy is independent and should I be elected I shall take office free to exercise my own best judgment in cooperation with other members of the board on any and all matters to be handled by it. In this connection I shall be guided and my judgment will be formulated and expressed solely on the basis of the best interests of the taxpayers insofar as I can correctly interpret those interests.

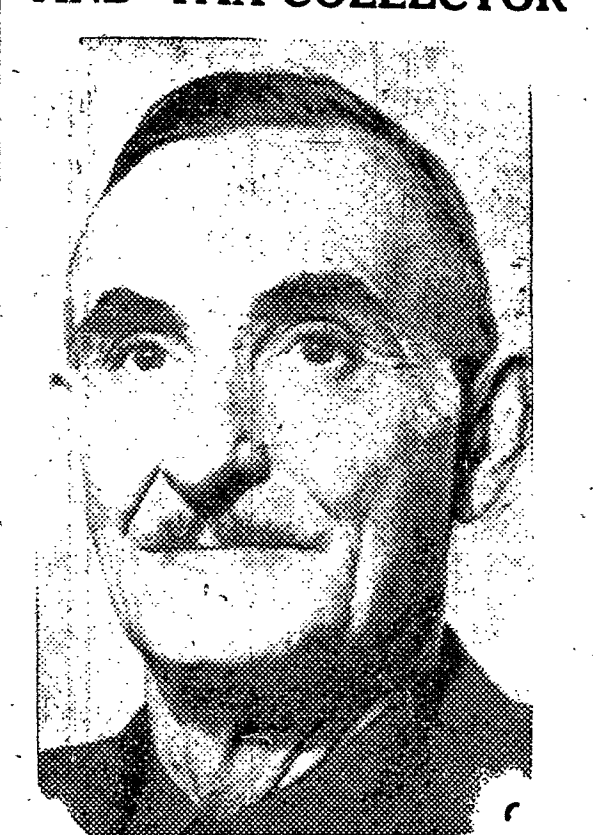

With the above public declaration of my sincere and honest intentions, I respectfully solicit the vote of all taxpayers in Beat 5, Hancock County, Mississippi.

R. G. (MANNY) HUBBARD.

## Richard T. Curran To Attend U. of Wisconsin.

Richard T. Curran is one of the boys selected by the office of the Navy Officer Personnel and has been officially assigned to the University of Wisconsin as a midshipman in the United States Naval Reserves. This assignment is based on the scholastic record in high school and rating in the competitive examination of the Navy ROTC.

## HAROLD R. MORRIS IS CANDIDATE FOR OFFICE OF SHERIFF AND TAX-COLLECTOR

HAROLD ROBERT MORRIS

The Sea Coast Echo is authorized to announce the candidacy of Mr. Harold Robert Morris, of Bay St. Louis, for the office of Sheriff and Tax-Collector, of Hancock County. His statement follows:

To the Voters of Hancock County that do not know me, I will give a brief personal history as to my background and qualifications for the office of Sheriff and Tax-Collector of Hancock County, to which I aspire.

I was born near Owensboro, Kentucky and lived on a farm until 17, when I enlisted in the Army and was discharged July 6, 1920 because of disability incurred in service.

In 1925, I graduated from Georgia Tech with a B. S. degree in Electrical Engineering. I have been employed by the Northwestern Expanded Metal Company as their representative for the South, with offices in Atlanta, handling an average yearly business of over one and one half million dollars of business. In 1928 I accepted a better position with Libbey-Owens-Ford Glass Company as manager of their New Orleans office. In 1931, I purchased a farm at Columbia, Mississippi and the following year married Miss Maxine Dye daughter of Mr. and Mrs. Mann Dye of that city. The firm of Dye and Mullins later had the contract for the Bay St. Louis Post Office and I was on part of the construction here.

From 1932 to 1938, I was engaged in construction work and operated my farm at Columbia. In 1938 I was elected superintendent of the Gillsbury Consolidated School in Amite County and served there two years. At the expiration of the last term, I entered war work and continued in war work until the war was concluded.

In 1943, I purchased a home here in Bay St. Louis and have resided here since then. In 1946, I was appointed Superintendent of the Kiln Consolidated School and believe my record there will stand on its own merits.

Although I am not a native of Mississippi, I am a Mississippian by choice. If I am elected to this office, I will fulfill the duties of Sheriff efficiently and honestly. There will be no Rackets.

I am not obligated, in any way, to any person or group of persons, other than all the voters of Hancock County.

Sincerely yours, HAROLD ROBERT MORRIS.

Reports from the hospital are to effect that he is holding his own though still suffering from a severe shock.

## SIXTY-TWO TO GRADUATE SUNDAY FROM ST. STANISLAUS

On Sunday, June the First, at eleven o'clock in the St. Stanislaus Auditorium, the ninety-third Commencement Exercises of this school will get under way. Another group of graduates which constitute this class will be the largest in the history of this institution. This is due in great part to non-compulsory military service.

This graduation will be the second to have in its midst Veterans of World War II. One of the graduates who will not be present at the exercises will be Raymon Dauris, who left at Midterm to enter the Order of the Brothers of the Sacred Heart.

The graduates will be addressed by Very Rev. Dr. Geoffrey T. O'Connell, MA, Ph. D. He is by no means a stranger in our midst. The Socialists especially are acquainted with him, as he is the Moderator of the Gulf Coast Union Sodality, and they have had occasion to converse with him at various meetings.

A record crowd is expected to appear for these exercises on Sunday morning. The auditorium will probably accommodate more persons than at any other time in the past. St. Stanislaus has always prided itself on the exemplary young men which have passed through its portals. Graduates of this school have always been able to take their places in this world. This year's class can boast of a solid foundation formed from the experience of a century of teaching.

## HARRY L. SUMRALL ANNOUNCES HIS CANDIDACY FOR SHERIFF AND TAX-COLLECTOR OF HANCOCK COUNTY

HARRY L. SUMRALL

The Sea Coast Echo is authorized to announce the candidacy of Mr. Harry Sumrall for the office of Sheriff and Tax Collector, of Hancock County. His statement follows:

I feel that much of the organized corruption, outlawry and racketeering that is so dangerous and detrimental to our Government, our homes and our American way of life, thrives because we who could do something about it are too busy, or we do not care to be mixed up in politics, or for some other reason we refuse or neglect to do what we might, or what we think is right and best for our community.

I have come to the conclusion that, regardless of all things, and without reservations, I will use to the best of my ability, the aid of my friends, the hard head God gave me, and all the resources that are at my command in an honest effort to make Hancock County a better, more pleasant place to live, where greed, the lack of consideration for other people, insincerity and a few more of the corrupt and degraded characteristics of man will be less welcome, less popular and non-profitable.

It is for this reason and this reason, alone, that I announce my candidacy for the office of Sheriff and Tax Collector of Hancock County. I do not look to any organization for my election, rather I look to the people, therefore, I will not in any way be obligated to any organization, party, machine or personality, but I will be a free agent and servant of all the people of Hancock County willing and anxious to hear and help anyone, but full of trouble for anyone who might be inclined to give orders or dictates, or attempt in any way to corrupt the administration of my office.

Future announcements thru this medium or others will be made by me regarding my campaign to make Hancock County a pleasant and prosperous place to live.

HARRY L. SUMRALL, Owner and Operator Bay Ice Co., Bay St. Louis, Miss.

## RUSSELL E. LOTT IS CANDIDATE FOR CONSTABLE, BEAT 1

The Sea Coast Echo is authorized to announce the candidacy of Mr. Russell Lott of Logtown as a candidate for the office of Constable, of Beat One. His statement follows: To the Voters of Beat One of Hancock County, Mississippi: This is to announce my candidacy for Constable of Beat One, Hancock County, Mississippi.

I was born in Hancock County in 1901, and worked for many years for Weston Lumber Company; after that I worked for the Geographical Research Corporation for about twelve years; then for the Forestry Department, State of Mississippi. I was mailman for several years, carrying mail for the government. For the last eight years I have been in the Mercantile Business in Pearlport.

This is the first time I have offered for public office. I feel that I am fully qualified for the position as Constable and it will always be my sincere desire to see that the laws are enforced so that the peoples' property rights and liberties are safeguarded and protected.

If elected, I will perform my duties honestly and conscientiously, and I promise so to do if the voters of Beat One of Hancock County will place that trust and confidence in me.

Respectfully submitted, RUSSELL E. LOTT.

## Presents Dancing Pupils In Revue

Mrs. D. M. Russell, Jr., presented the pupils of her dancing class in the closing revue on Friday evening, at the St. Joseph Academy auditorium.

The curtain rose on a park scene with a group of children playing in different parts of the park. Temple Perkins was the policeman as she patrolled the park in uniform with her billy in her hand. In one part Sandra Scaife, Alice Scaife and Alta Mae Williams sang as they danced. Patsy Shadoin did a rope skipping number to music that was very graceful and Sheila Heitzmann, Betty Buhler and Barbara Ann Flink danced the Bessie in the Bus. The with ease and the sailors Helen Genin, Janet Genin, Emilie Delph, Celeste Chevis, Janelle Elloff, Es. lander Guillot was another good number. Noelle Dick did "Nude-semaid" as a solo dance. But for that part of the program Barbara Kidd and Patsy Anderson, two and one half and three and one half years old "stole the show" in the Bouncing Balls dance. They did the "Cuties in Calico" too which was better than good and they were in the "Pastels in Pirouettes."

Patty Laika and Judy Quintini did the Hula in Miniature and Pink Powder Puffs which was received with applause.

These children all appeared in other numbers. The remainder of the program was as follows: Minuet, Little Miss Dainty, Gypsy Rambores, Dance Orientale, Tap Conga, Hula Lou, Topsy Turvy, Valse Gracieuse, Ya-Ya, Gal in Calico, Indians, Valse en Pointe.

Mrs. Russell pleased with two solo dances "Firebird and Hungarian Rhapsody. Mrs. Louis Pate favored with two piano selections—"The Gypsy Dance," and "The Brunette" which were enjoyed.

Alice Scaife gave a song and dance "Hana Inez and Sandra Scaife sang as a solo "Make Believe."

It was a creditable program and to Mrs. Tudury, Mrs. Louis Pate and Mrs. J. B. Goldman should go a vote of thanks for the evening's entertainment. The two latter played for the dancers and the proceeds from the ticket sales and door receipts was given to the Swimming Pool Fund.

## CANDIDATES MUST QUALIFY BY JUNE 5

Jackson, Miss., May 17—A statement was issued today by W. H. Henderson, of Ripley, Secretary of the Mississippi State Democratic Executive Committee calling attention to the fact that the law provides that candidates for all offices to be voted on in the primary election this summer must qualify with the proper executive committee not later than June 5. [This applies to

all candidates, regardless of what office they are seeking. The State Committee also adopted a resolution to that effect in a recent meeting. He also called attention to the fact that there has been some confusion with reference to how candidates for the State Senate and Floater-Representative qualify. He pointed out that they should qualify with the proper Senatorial and Floatorial committee, which are made up, in each instance, of representatives from each of the counties in the district.

### QUESTIONS & ANSWERS

Q. Will the government pay for a correspondence course at the same time it is paying my tuition in a night school?

A. The government will pay for the correspondence course only if you are unable to obtain such instruction at the school you are attending. In addition, such course must be in line with your general educational objective.

Q. I am a World War II veteran and would like to know if I can get a guaranteed loan to pay off a debt that is past due?

A. Yes, it can be arranged under certain conditions. Your lender will be able to advise you concerning them.

Q. What must a veteran, who has lost his original discharge, do about getting a replacement?

A. He must apply for a certificate in lieu of the discharge paper from the branch of the service from which he was discharged.

Q. I was discharged from the U. S. Army in May, 1945. Are readjustment allowances still available to me?

A. Yes, Readjustment allowances are available to any eligible veteran until 2 years after the date of his discharge or release, or until 2 years after the official termination of the war, whichever is later.

Q. What loans can be insured by Veterans Administration?

Q. I am a World War II veteran and have been ill for five months. At the end of my sixth month of total disability will I have to continue paying my National Service Life Insurance premiums or is a waiver granted automatically?

### ORTTE THEATER SUNDAY — MONDAY "THE KID FROM BROOKLYN"

Presenting Danny Kaye in  
Technicolor with the  
Goldwyn Girls

The romance of a Brooklyn milkman is excruciatingly developed in Samuel Goldwyn's lavish new technicolor comedy, "The Kid From Brooklyn." Danny Kaye starring vehicle, which is replete with satire and big, colorful musical production numbers.

In his role of the milkman, Danny meets the lovely Virginia Mayo while on his milk route. His horse, Agnes, is about to become a mother, and Virginia lets him into her room so that he can telephone for a veterinarian. He is interested in her, and when he learns that she is an out-of-work night club singer, promises to get her a job at the club where his sister sings.

When he is catapulted into the prize fight game by a freakish accident and scores a series of knock-outs in fights which have been "fixed" for him, he begins to think he is really good, and degenerates into a flamboyant show-off. Romance then takes a slump, but he is finally made to see the error of his way, and everything ends happily.

Miss Mayo puts over several catchy songs, Vera-Ellen sings and dances and the Goldwyn Girls add a lot of color to the proceedings. Kaye, acknowledged master of satire, hits a high spot in his Pavlova number in which he pokes fun at the ballet, while his fight for the world's championship is one of the most uproariously funny sequences he has ever filmed.

Walter Abel, Eve Arden, Steve Cochran, Fay Bainter, and Lionel Stander are others who contribute to the fun. Norman Z. McLeod directed.

### STUDENT ACTIVITY PURCHASES BUS

The Student Activity Association of the Bay St. Louis High School has done some very fine worthwhile work as an organization in our high school during the past two years. This organization has charge of handling all athletic activities in school and our school book-store. All funds received from football, basketball, boxing and our book-store go into the student activity fund, and are paid out by check signed by the student secretary of the student activity, and countersigned by the faculty advisor, Mr. A. B. Duboussin.

This fund is used for purchasing equipment for the different teams, for transportation of our teams, and for financing activities from which we receive no revenue.

Within the next few days, we expect to have delivered to the Bay St. Louis High School a thirty-three passenger bus that has been paid for out of the funds raised through our student activity association. This bus will cost approximately \$4000.00. No part of the cost of this bus has been paid from funds other than that raised by students in their different activities.

This bus is to be used solely for transportation of students in their various activities for the future.

The greater part of this money has been raised through the holding of tournaments in basketball and boxing for the past two or three years. However, all tournaments held at the Bay High School have been on a basis of sharing fifty percent of the proceeds of the tournament with schools taking part in these tournaments.

### How women and girls may get wanted relief from functional periodic pain

Cardui, many women say, has brought relief from the cramp-like aches and nervous strain of functional periodic distress. Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come. Started 3 days before "your time," it should help relieve pain due to purely functional periodic causes. Try it!

From where I sit... by Joe Marsh

A Great Bunch  
—Those Ex-G.I.'s

Willie Wells and a bunch of the boys from our town went to Pound Ridge Saturday to a reunion of their old regiment.

There were about two hundred and fifty boys who came from miles around to a good old feast in Farmer Collins' barn. I expect they seemed a lot different to each other out of uniform. But they had a great time, spinning yarns, drinking beer, and talking over the old times in South Africa and Italy and the Aleutians.

I went over to cover the meeting

for the Clarion, and one thing that sure impressed me was the good behavior of those boys—their preference for a moderate beverage like beer—their friendly spirit.

From where I sit, our ex-G.I.'s are making as good a showing in peacetime as they made during the war. And they're setting a mighty good example to the rest of us—in tolerance, and moderation, and good fellowship.

Joe Marsh

### ORTTE THEATER WED. - THURSDAY "LES MISERABLES"

Starring Fredric March and Charles Laughton

As timeless as the masterpiece that inspired it, Darryl F. Zanuck's production of Victor Hugo's immortal French classic, "Les Miserables," returns to the screen of the Ortte Theatre starting Wednesday and Thursday. Starring Fredric March and Charles Laughton, the film is another all-time hit from Twentieth Century-Fox's Hall of Famous Triumphant.

The most famous of Hugo's works, the story of "Les Miserables" is one that has thrilled millions. On the screen, the novel displays a fidelity and a sharpness and clarity that reaffirms the production genius of Darryl F. Zanuck.

It is difficult to conceive of two actors more ideally suited to their roles than March and Laughton. The

former, as the hunted, desperate Jean Valjean and the latter as sinister, sadistic police detective, Javert, are a director's dream come true. The featured cast, headed by Sir Cedric Hardwicke, Rochelle Hudson, Francis Drake and John Beal, is on a par with the standard set by the stars. With Richard Boleslawski handling the direction, all the elements that go to make up superb motion picture entertainment are present.

### Waveland School P.T. A. Holds Meeting

The first summer meeting of the Waveland Elementary School Parents Teachers Association, will be held on June 4 at 7:30 p. m. at the home of the retiring president Mrs. J. S. Mauffray, 221 St. Joseph street, Waveland. This will be the first meeting presided over by the newly elected president, Mrs. A. Seigel. Other officers for this session are Mrs. E. Doree, secretary; Mrs. T. Stathopoulos, treasurer; Mrs. S. Rome, publicity.

### CHAMBER OF COMMERCE ACTIVITIES

At the regular meeting of the Hancock County Chamber of Commerce held on Friday, May 16th, a resolution was unanimously adopted to cooperate with the Clement R. Bontemps Post No. 139 American Legion in their campaign for funds to build a memorial home which will include a public pier for the accommodation of our visitors as well as the general public of Hancock County.

Not only will the Legion Home be a definite asset to the community as a whole, but the Public Pier is a much needed project for Bay St. Louis and will go far toward keeping our people and visitors here instead of having to go elsewhere for bathing facilities which they have always had to do if they wanted any swimming recreation.

We want to say right here and now that the Chamber backs the Legion 100% in their campaign and offers any assistance that is necessary to bring this project to an early conclusion.

### BAY GARMENT CORPORATION

At this same meeting there was a committee appointed of the following members to take up the matter of assisting the Bay Garment Corporation in their efforts to secure sufficient employees to operate their plant on a successful basis.

Oc Delph, Chairman  
Joe Kern  
Laurent Dickson  
Ed. Ortte  
Ted Rebol

The above committee will meet with the officials of the Garment Plant in the very near future and will endeavor to thrash out any matters pertaining to their operations which may or may not be the underlying cause of their large labor turnover. In the meantime, if any former employees of the plant have any grievances that they would like us to be informed on, we would appreciate their advising us either by letter or in a personal visit to our office in the Russell Bldg.

The whole proposition boils down to one salient fact, and that is, The Bay Garment Corp. certainly cannot be expected to continue their operations in our city if they are unable to secure necessary labor to carry on their business on a profitable basis, and unless they can, the business people of Bay St. Louis will shortly be without another industrial payroll.

### Crowning of Blessed Virgin Held at S. J. A.

The Crowning of the Blessed Virgin at the Shrine of Our Lady of the Woods climaxed the daily May Devotions, held at St. Joseph Academy. The faculty, entire student body and many parishioners, singing hymns, proceeded to the Shrine where Miss Gwen Hartman crowned the Virgin. Rev. Msgr. A. J. Gmelch, officiated.

### JUNIOR-SENIOR PROM AT BAY HIGH SCHOOL

The Juniors and Seniors were there and so was Robinhood at the Carroll Avenue Club Forest on Friday night, May 23.

The gym was turned into an enchanting forest by a very ingenious and energetic decorating committee. The trees reached toward a sky of dark blue studded with stars, in the center of which was a full moon which cast a soft light on the dancers.

The guests were met at the entrance by Delbert Zengaring, a Soph. doorman. Other Soph boys who helped out were Red Davis, Tommy January and Curtis Taconi, who made very affable waiters. Two Soph girls, Dolores Carver and Audrey Mays were very "sharply" dressed as "Candy" girls in the Senior class colors of red and white and kept everyone well supplied with sweets. The Senior class colors were also carried out in the table decorations.

Delicious refreshments of sandwiches and cold drinks were served, after which guests were entertained with a very clever show.

Andy Gray the very genial master of ceremonies, kept everything running smoothly. None of the celebrities, present at the Prom, escaped his attention. Among those noted were Champion Joe Capdepon and the singing waiter Frank Sinatra January.

Miss Blaize, the junior sponsor and Mrs. Curet, the senior sponsor, were met at the door and presented with lovely corsages.

The programs, which outlined the evening's fun were dedicated to Mrs. Curet. A special dance number was dedicated to the Seniors, during which only Seniors were allowed on the floor.

Everyone had a grand time, enjoying the dancing and refreshments.

### Red Cross Notes

On Tuesday afternoon at the home of Mrs. Wm. Prewitt, the members of St. Joseph Academy Parents Club entertained a small group of veterans from the Gulfport Hospital with a barbecue picnic. Tables were set under the beautiful moss covered trees and a plate lunch of barbecued veiners, potato chips, cakes and cold drinks were served.

As has been stated each month a group of Veterans of both World Wars are brought to Bay St. Louis by bus where they are entertained. These entertainments are in conjunction with the American Red Cross Community Service to Camp and Hospital program.

### KILN NEWS

On June 1, 1947, the present Bay Saint Louis Star Route to Kiln, Mississippi, will be extended. This new extension will go from the Haas Corner at Kiln, Miss., up the Poplarville Road to the Tower Road at Rocky Hill, then over the Tower Road to the Picayune Road, then back to Kiln, Miss.

Patrons on or near this route may erect approved mail boxes placing them on the right hand side of the road as traveled by the carrier for pick-up and delivery service of mail. The carrier will be Mr. Carlos Green, who will carry a full line of stamps, supplies, deliver registered matter, and accept and give receipts for applications for money orders.

This new service is being put in by the Post Office Department with a view of giving the best-possible service to the patrons of the section covered, and it is hoped that the community served will improve the mail delivery.

The carrier, Mr. Green, will cover this new territory, leaving the Kiln, Postoffice, approximately at 9:45 A. M. and after covering the new route, should be back to the Kiln Post Office by 10:30 A. ## CROWNING OUR LADY

Corinne Gierken crowns the Blessed Virgin, while Jack Strong, Prefect of the Coast Union Sodality, looks on.

## UNION SODALITY HOLDS CORONATION

For the first time in many years the Coast Union Sodality held its annual May Crowning at St. Stanislaus, sponsored by St. Joseph's Academy, which was aided by St. Stanislaus. The girl chosen as Queen to crown the Blessed Virgin was Corinne Gierken of Our Lady of Victories Sodality of Pascagoula, Miss. Her escort was Jack Strong of Notre Dame High School, prefect of the Coast Union Sodality. The maids and dukes of the court were boys and girls chosen by the individual sodalities. Dukes representing St. Stanislaus were Bobby Johnson and Dickie Curran.

The May Crowning was really the only important spiritual event sponsored by the Coast Union Sodality. For this reason plans were taken to see that nothing was left out of it. The time and place of the crowning were decided on at the February meeting to be doubly sure that nothing could come up to prevent its taking place. Several meetings before the crowning were devoted to its planning.

Sunday afternoon the Sodality assembled at the S. S. C. football field. At three o'clock the Sodality formed a procession. The procession consisted of a color guard from the Merchant Marine Cadet Base. Cross bearer and two acolytes followed by the Sodality in this order: Our Lady of Victories, St. Joseph's Academy, St. Joseph's (Pass Christian) and St. Stanislaus. After the sodalities came the court and the clergy.

As the procession went around the field the beads were said. When it came to the altar that had been erected the maids placed their bouquets at the foot of a statue of the Blessed Virgin Mary. While the maids placed flowers the sodalities sang the hymn, "Bring Flowers of the Rarest." Monsignor Gmelch welcomed the sodality and made an invocation. The sodalities recited the Act of Consecration to the

The latest report shows an estimated total of 18,188,000 living veterans. Of this number, 14,267,000 served in World War II. The remaining 3,921,000 participated in World War I or the Spanish American War, or they still receive VA compensation or pension benefits for service in the peacetime forces, the Civil War or the Indian Wars.

## YOU'RE IN A CLASS BY YOURSELF!

YOUR NATION IS DEPENDING ON YOU

You are members of the first high school graduating class since 1940 who have not been faced by call from Selective Service. Your future is up to you.

What that future will be is vitally important—not only to you, but to your country. Return to the volunteer system of military service places a vital decision before you.

The choice of whether or not the Army accomplishes its tremendous peacetime mission rests with young men like you. In these crucial post-war years, your nation must support its obligations or face failure in its effort to promote world peace. The Army is a keystone in our pattern for lasting peace.

Men who join the Regular Army today have a real chance to get ahead. High pay, world-wide travel, excellent training in many valuable skills and trades, and the opportunity to qualify for Officer Candidate School make the Army a fine choice for a post-graduation start. ## Concert At Baptist Church Well Attended

Quite a number were out on Sunday afternoon at the First Baptist Church to hear the Pawnee, Okla. orchestra's concert of instrumental sacred music. Bay St. Louis was indeed fortunate to have had this rare treat and to learn from Mr. Ashley Alexander what he is doing for the Pawnee boys in the band and in the taking of these trips to play in other towns. There was music by the trumpet trio, the saxophone quartet and the mixed brass quartet, and several instrumental solos and several vocal numbers. Mr. Alexander's three sons sang "Jesus Loves Me" and played some selections. The program closed with "Holy, Holy, Holy," and "Blest Be The Tie That Binds."
